Prevent possible spills. Place items that may spill or leak in heavy plastic zipper-lock bags. Freezer bags work well and service members will likely find other uses for the bags. Use reusable packing material. Cushion fragile items with packages of tissues; local newspapers; plastic zipper-lock bags filled with snacks; small beanbag-style stuffed toys (for service members to hand out to local children) or anything else that the service member will be able to use. Do not to send items in glass jars.

What NOT to Include:

Prohibited items: Aerosols, air bags, alcoholic beverages, ammunitions, cigarettes, dry ice, explosives, gasoline, hemp based products, marijuana, nail polish, perfumes, poisons, alcohol-based hand sanitizer or flammable sanitizing wipes.

Check the [post office's prohibited items](#) list to keep items from being rejected. Remember these items are being shipped overseas so international restrictions apply.

What you CANNOT send in a care package?

There may be items you cannot send depending on where the service member is located. For example, these service members will most likely be in the Middle East or the Persian Gulf area, do not send anything that would offend people of the Islamic faith, including pork or pork by-products, obscene material, religious materials contrary to Islam, anything depicting nude or semi-nude persons, pornographic or sexual items, alcohol, or non-authorized political materials.
