## IDAHO TOP GUN

The school is nationally known and directly supports the governor's stance on Esto Perpetua. With the rising drug crisis in our state this course provides law enforcement officers with top tier training on developing criminal informants, following the money, surveillance, and infiltrating the drug trafficking organizations at the supplier levels.

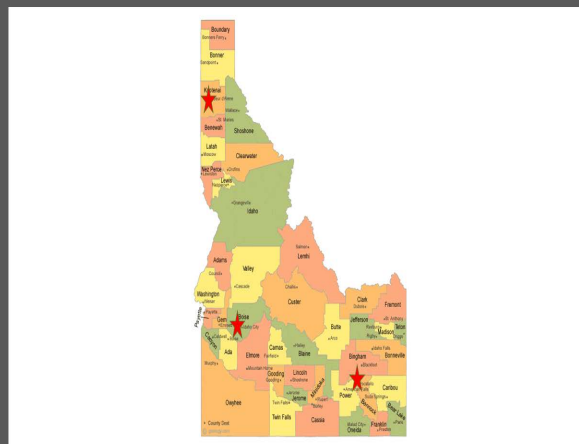

## ANALYSIS SUPPORT

Idaho Counterdrug Analysts disrupt and dismantle drug trafficking organizations using post collection analysis utilizing Four Core Competencies:

- Link Analysis
- Documentation Exploitation
- Commodity-Financial Analysis
- Case Construction

## SUPPORTED LOCATIONS

## COMING SOON...

### \*Aviation Support

Provides aerial rotary wing support at no cost to law enforcement:

- Aerial Thermal Imaging Camera with data downlink capabilities & aerial Command and Control Platform with secure communications
- Transportation and Tactical Logistics
- Aerial Area and Route Reconnaissance

### \*Ground Reconnaissance

Training Conducts low-visibility counterdrug ground reconnaissance to detect and report illegal drug activities in support of law enforcement drug interdiction operations.

### \*Drug Demand Reduction Outreach

Mission is to coach communities in delivering collaborative and effective strategies that create healthy citizens
