

Always a Member

Retirement from the Idaho National Guard doesn't mean you are no longer in the organization. You will always remain a part of the Guard Family. Our program is here to keep you and your family involved and continue taking care of our people.

GET INVOLVED

There are plenty of ways to get involved in the program. This is volunteer program that thrives off of the active involvement of our members. Consider some of the following opportunities, but if you can think of a need you could help fill, we are always looking to grow!

- **Regional Representative**
 - Participate in quarterly Advisory Council meetings and inform the committee of what needs and opportunities arise in your area.
- **Join our Events or Host Your Own!**
 - Every month at Gowen we have a Military Retiree Social. We would like to expand this into all the regions of Idaho.
- **Retiree Appreciation Day Planning**
 - Help us create the RAD programming to be the most beneficial to our community.

OUR MISSION

“ Since it's founding, the goal of the ROP [Retiree Outreach Program] was to keep retirees informed about what was going on in the Idaho National Guard, educated about their benefits and priviledges, and to keep them connected to the Idaho National Guard and each other.”

-Dean Hagerman, Co-Founder of the Retiree Outreach Program

ABOUT SERVICE MEMBER & FAMILY SUPPORT

In an effort to expand the program, in 2020, the ROP was placed under the Service Member & Family Support (J9) team. This has allowed the program to be inclusive of all branches as well as generate awareness for the program by increasing involvement.

Service Member & Family Support provides many useful resources to Service Members, Retirees, and their Families. Including help with benefits, mental health counseling and more. Go to their website for a complete list of resources. *(Contact information on the back)*
